### PASTORAL MESSAGE

Singing is God's wonderful gift to human beings. God is encouraging singing of all the people. If birds of the air know how to sing tunelessly unto the Lord in varied tones, men and women can do wonderfully good. Music has two faces- good and bad. That means music can be positively or negatively impactful. The choice of what music to watch and listen greatly matters. God intended proper use of music. Christians are encouraged to embrace music that elevates the spiritual spectrum of an individual. E. G. White says, 'Music can be a great power for good.' T4, p71 '... rightly employed, is a precious gift of God...' Educ. p167. Music is therefore purely made to serve a holy purpose. Brethren, let our desire in music be, to serve God and Him alone.

### 7. STEWARDSHIP

In a subordinate sense we should all have respect unto the recompense of the reward. But while we appreciate the promise of blessing, we should have perfect confidence in Jesus Christ, believing that He will do right, and give us reward according as our works have been. The gift of God is eternal life, but Jesus would have us not so anxious concerning rewards, as that we may do the will of God because it is right to do it, irrespective of all gain. CS 339.3
