### PASTORAL MESSAGE

It delights heaven when the right thing is done. It is also absurd when the field is far and wide, yet is least or totally untended. Mission is one basic responsibility why God purposed our existence. Brethren, when all is done and the earth is saturated with the gospel of salvation. When mankind accepts and embraces full knowledge of truth unfolded and readily prepared to meet with the Lord, then the words 'the fields are white. Ready for harvest' shall be past history. Matthew 28:19 Christ says, **"Therefore go and make disciples of all nations, ..."** Let us implore each one of us to diligently and faithfully soul search how much we have contributed in advancing the kingdom of God on planet earth. The expanse of the field is so enormous that more labourers are required. May it be our desire to become co-labourers with the Savior. May the good Lord help us. Blessings all.
