### PASTORAL MESSAGE

As we near Jesus' second coming, we are invited to take seriously these words of the apostle Paul, "Examine yourselves to see whether you are in the faith; test yourselves. Do you not realize that Christ Jesus is in you—un-less, of course, you fail the test?" As Christians its crucial to examine oneself whether still one is still on the right track. Its not all about attending church services. We are to live as people who are truly revived and reformed in the book of Ezekiel 20:20 has three elements: tithe, gifts, and offerings. Tithe is 10 percent of our income. Gifts are special do-nations. Offerings involve systematic giving in proportion to blessings received. Giving is an essential sign of God's lordship because money or material possessions have the capacity to compete with God for lordship. "No one can serve two masters [lords]. For either he will hate the one and love the other, or else he will hold to the one and despise the other. You cannot serve God and mammon" (Matt. 6:24). These are some sighs that we are truly revived and they will be as a result of we, as God's people recognizing His ownership and lordship. May we put God first in all our endeavors.
